

PROVIDING FAMILIES WITH HELP AND RELIEF

SATURDAY PROGRAM

LESS
THAN
\$60
PER DAY

At Acacia Place, we understand the challenges facing full-time caregivers. To offer some assistance, our **Saturday adult daycare service** provides families with a well-deserved respite, affording you the time to run errands, schedule appointments, or visit with neighbors and loved ones.

We provide a safe and structured setting and our program provides participants with adapted programming, including opportunities for cognitive stimulation and social engagement. Delicious meals and snacks are also provided to all participants.

And as part of Eliza Jennings, you know you're being supported by the areas' expert in aging services.
